

FinPac

Partner and Referral Program

Technology and Business Solutions Ltd. (TBS) www.tecbsl.com is pleased to offer a partner and referral program to organization's or individual's looking to market, promote and sell FinPac. FinPac is a comprehensive, yet cost effective Accounting software package having five modules; **Financial Accounting, Asset Accounting, Material Management, Sales & Distribution, and Management Accounting**

TBS is offering ICT solutions to the domestic and international markets since 2005.

Our Partner Program will enable you to generate **New Revenue Stream and Income.**

Scope of Partnership and Benefits

- Promote market and sell FinPac through existing network and clients.
- No obligations, financial or material.
- All work: Installation, Training, Presentation, Client Visit, Maintenance, and Documentation maintained and done by TBS.
- TBS will provide all the necessary support and materials required, such as marketing materials; brochures, etc.
- Transparent and effective process to manage potential clients of FinPac so no sales or revenue sharing is missed or overlooked

Other Partnership Benefits

- ✓ Revenue sharing on any new products or solutions other than FinPac, through the introduction, marketing of FinPac. The revenue sharing will be for all new ICT related work for the period of the MOU.
- ✓ Partnership will extend for any software solutions (non-FinPac) for any third party (Govt., Private sector, NGO)

Note: Revenue sharing, fees or commission details will be discussed and based on agreed terms and conditions.
